Relevant Experience:

Lead Fixed Wing Pilot

July 2025 - Current

Florida State Guard – Lakeland, FL

Conducting statewide mission operations in the C-206, C-425, and BE-300. Developed standardized training, mission profiles, safety procedures, and surveillance materials for complex operations throughout Florida. Trained and mentored pilots in aircraft systems, mission flying, and surveillance techniques. Coordinated with government agencies, vendors, and support organizations to strengthen operational capability and mission readiness.

ASES Flight Instructor

January 2024 – June 2025

Jack Brown's Seaplane Base – Winter Haven, FL

Provided professional seaplane instruction in the Super Cub, C-172, and AirCam, prepared 21 students for successful ASES check rides. Emphasized sound decision-making, situational awareness, and clear communication while maintaining safe operations in dynamic environments.

Chief Pilot & Flight Instructor

January 2024 – July 2025

Flight Training 101 – Winter Haven, FL

Trained 32 students over 18 months in Private, Commercial, and Instrument operations. Conducted stage checks and proficiency training while developing standardized training materials to improve safety and student performance.

Founder & Operator

December 2003 – April 2023

Kanga Marketing – Lakeland, FL

Founded and led the company for 13 years, serving 50+ long-term clients while managing an eight-person creative team. Oversaw customer relations, sales, daily operations, and large on-location projects involving teams of 20–30. Developed strong skills in leadership, organization, delegation, and customer service.
